THE CONGREGATIONAL AND CHRISTIAN CHURCHES

Principles of Christian Fellowship

The Congregational and Christian Churches of the United States by delegates assembled, reserving all the rights and cherished memories of their historic past and affirming loyalty to the basic principles of unity and democracy in church polity, hereby set forth the principles of Christian fellowship immemorially held by these churches.

We hold sacred the freedom of the individual soul and the right of private judgment. We stand for the autonomy of the local church and its independence of ecclesiastical control. We cherish the fellowship of churches, united in district, state and national bodies for counsel and co-operation. Affirming these convictions we hold to the unity of the Church of Christ, and will unite with all its branches in fellowship and hearty co-operation; and we earnestly seek that the prayer of our Lord for the unity of his followers may be speedily answered.

We find in the Bible the supreme rule of faith and life, but recognize wide room for differences in interpretation. We therefore base our union upon the acceptance of Christianity as primarily a way of life and not upon uniformity of theological opinion or any uniform practice of ordinances. (From the preamble of the Constitution of the General Council of the Congregational and Christian Churches.)

Form—Congregational and Christian Churches are bodies of self-governing Christian believers organized on a democratic basis in close association with a great body of similar churches throughout the world, covenanting together for religious worship, work, and fellowship, acknowledging Christ only as authoritative Head.

Origin—Congregational Churches were first organized in England in the Sixteenth Century, in revolt against state control of religious worship, in the demand for personal Christian experience, and in an effort to reproduce New Testament simplicity and democracy.

The Christian churches originated spontaneously in several parts of the United States in the latter part of the eighteenth century. In each instance the movement was a revolt against overhead control of local churches and ministers.

Principles—They believe in a free Kingdom of God under the sole authority and leadership of the Spirit of Christ, insuring freedom of the individual soul, liberty of conscience, the independence of the local church, and the free fellowship of the churches.

Ideals—Democratic life and organization, simplicity and vitality of faith, intellectual freedom, educational efficiency, evangelistic purpose, missionary zeal, social passion, unsectarian fellowship, unselfish devotion to the extension of the Kingdom.

Practice—Congregational and Christian Churches emphasize beliefs in which all evangelical Christians agree, exalt nothing trivial or sectarian, repudiate dogmatism and all legislative control, ecclesiastical or civic, of the spiritual life, and seek union of all churches, on the basis of mutual freedom and fellowship. Their rule of action is "In essentials unity, in non-essentials liberty, in all things charity."

Achievements—The old world and the new are indebted largely to Congregationalism for the establishment and progress of the principle of religious toleration. Congregationalism sailed to America in the Mayflower as the church of the Pilgrim Fathers. Settling first at Plymouth, then later fusing with the Puritan colonists that followed them, these founders of Congregationalism spread over New England, and through their democratic ideals laid the foundations for the free church, the free state, the free school, and the free social life of our country. The Congregational churches have been the pioneer Protestant churches of our nation in the promotion of education, missions, evangelism, and in most movements for Christian union, religious progress, and moral reform.

While the Christian Church originated later, and therefore did not have the original impact upon the nation's life, and while its numbers and resources have not been so large its ideals and principles have been identical with those of the Congregational churches.

The Local Church—The local church is the center and soul of the whole organization. It is self-administering and is the final arbiter of all questions relating to its own life.

Fellowship with churches of like organization differentiates these churches from the so-called independent church. This fellowship is held in associations, state or district conferences and the General Council described below.

The Association—A church is recognized denominationally by securing membership in some association of churches, usually consisting of from ten to fifty such churches, located in geographical proximity to one another. These associations are for the purpose of mutual stimulation, the holding of ministerial credentials for ordained ministers and the performance of common Christian service.

The State Conference—The state or district conference is made up of the churches within its bounds holding membership in the several associations. Mutual helpfulness to all the churches, and as ordinarily organized, the carrying forward of church extension and missionary work within its own borders, are the functions of the conference. Usually the conference maintains a paid superintendent and a central office. A directory will be found on page 17.

The General Council—What the State Conference is to the state the General Council is to the nation, with appropriate variations. It also becomes the unifying agency for coordinating the organization and work of the missionary societies. (See following pages.)

GENERAL COUNCIL ORGANIZATION

The General Council of the Congregational and Christian Churches was organized on June 27, 1931, at Seattle, Washington, for the purpose of carrying on the functions hitherto performed by the National Council of the Congregational Churches and the General Convention of the Christian Church. The older organizations continue their formal existence for the time being for possible legal requirements. Details of organization will be found on the following pages.

PURPOSE

The purpose of the General Council is to foster and express the substantial unity of the Congregational and Christian churches in faith, purpose, polity and work; to consult upon and devise measures and maintain agencies for the promotion of the common interests of the Kingdom of God; to co-operate with any corporation or body under control of or affiliated with the Congregational or Christian churches or any of them; and to do and to promote the work of these churches in their national, international and interdenominational relations, and in general so far as legally possible to perform on behalf of the united churches the various functions hitherto performed by the National Council for the Congregational churches and by the General Convention for the Christian church, it being understood that where technical legal questions may be involved the action of the separate bodies shall be secured. (Article II of the Constitution.)

FUNCTIONS

As the name indicates, the General Council is a voluntary organization of Congregational and Christian churches for the purpose of conference regarding their common interests. The central function of the Council is to provide a gathering for useful discussion of questions of concern to the churches, and so to furnish inspiration for increased devotion and effectiveness.

Associated with the function of discussion and inspiration is that of the election of officers and agencies for carrying on the common work of the churches. Specifically, the Council provides for gathering and publishing annually the statistics for the churches as given in this Year Book. For the purpose of stimulating fellowship and of coordinating the various agencies, offices are maintained with a small staff of Secretaries.

MEMBERS

Each State Conference or similar organization of churches is entitled to elect two members (one being a woman) for each ten thousand members or major fraction thereof. Each local association or similar organization may elect one delegate for each ten churches or major fraction thereof. Each college and theological seminary recognized by the Council is entitled to one delegate. The Moderator, the Secretaries, the Treasurer and editors of national church periodicals are members ex-officio.

EXECUTIVE COMMITTEE

Between the sessions of the Council an Executive Committee chosen by the Council attends to details of business, arranging for the meetings and submitting programs for the same. This committee is also the agency for correlating the activities of the several Commissions.

COMMISSIONS

The functions of the Commission on Missions are to correlate the administration of the several missionary societies and boards affiliated with the Council in the interest of economy and efficiency, and to promote the appeal for benevolent funds. Through this Commission it is possible for the Council to keep in touch with the wide range of benevolent activity of the churches.

The Commission on Evangelism and Devotional Life maintains an office for service to the churches in the vital field indicated by its name. There are several other Commissions, none of them being charged with executive functions to any extent but rather with study and report, each in its own field, with such cooperation with the executive agencies of the denomination as seems feasible.

MISSIONARY SOCIETIES

The general missionary societies have as their controlling membership the membership of the General Council itself. Meeting in separate sessions under the direction of their own officers, the membership of each of these societies is in large majority identical with that of the General Council, so that in matters of common concern action taken by the General Council may usually be taken by each of the societies without further discussion, thus giving unity of operation in matters of common concern and making the missionary societies the instruments of the churches themselves.

MEETINGS

Meetings of the General Council are held biennially in the odd numbered years. The next meeting will be held at Mount Holyoke College, So. Hadley, Mass., June 16-23, 1936.

THE NATIONAL COUNCIL OF THE CONGREGATIONAL CHURCHES

Meets biennially in conjunction with the General Council of the Congregational and Christian Churches for necessary legal business. Only such officers, committees and commissions as are necessary to its legal operations are maintained.

Assistant Moderators: Rev. Rockwell Harmon Potter, D. D., Hartford, Conn.
Rev. William Horace Day, D. D., Bridgeport, Conn.

Secretary: Rev. Charles E. Burton, D. D., New York

Associate Secretary: Rev. Frederick L. Fagley, D. D., New York

Business Committee, Committee on Credentials, Nominating Committee and Commission on Evangelism and Devotional Life: The Congregational members of the corresponding bodies of the General Council. The Commission on Missions and Survey Committee: Identical with the members for the General Council.

THE GENERAL CONVENTION OF THE CHRISTIAN CHURCH

Organized Windham, Connecticut, 1819, as the General Christian Conference or Convention. United with the National Council of the Congregational Churches, June 27, 1931, at Seattle, Washington. Its corporate life is continued for the time being for the purpose of meeting necessary legal requirements. This has been accomplished by constituting the membership of the Convention of the members of its Executive Committee. Only such officers as are necessary to its operations are maintained.

A STATEMENT OF SOCIAL IDEALS

Adopted by the National Council of the Congregational Churches of the United States, October 24, 1925.

We believe in making the social and spiritual ideals of Jesus our test for community as well as for individual life; in strengthening and deepening the inner personal relationship of the individual with God, and recognizing his obligation and duty to society. This is crystallized in the two commandments of Jesus: "*Love thy God and love thy neighbor.*" We believe this pattern ideal for a Christian social order involves the recognition of the sacredness of life, the supreme worth of each single personality, and our common membership in one another—the brotherhood of all. In short, it means creative activity in cooperation with our fellow human beings, and with God, in the everyday life of society and in the development of a new and better world social order. Translating this ideal

I. INTO EDUCATION MEANS:

1. The building of a social order in which every child has the best opportunity for development.
2. Adequate and equal educational opportunity for all, with the possibility of extended training for those competent.
3. A thorough and scientific program of religious and secular education designed to Christianize everyday life and conduct.
4. Conservation of health, including careful instruction in sex hygiene and home building, abundant and wholesome recreation facilities, and education for leisure, including a nation-wide system of adult education.
5. Insistence on constitutional rights and duties, including freedom of speech, of the press, and of peaceable assemblage.
6. Constructive education and Christian care of dependents, defectives, and delinquents, in order to restore them to normal life whenever possible, with kindly segregation for those who are hopelessly feeble-minded. (This means that such institutions as the jails, prisons, and orphan asylums should be so conducted as to be genuine centers for education and health.)
7. A scientifically planned program of international education promoting peace and good-will and exposing the evils of war, intoxicants, illiteracy, and other social sins.

II. INTO INDUSTRIAL AND ECONOMIC RELATIONSHIP MEANS:

1. A reciprocity of service—that group interests, whether of labor or capital, must always be integrated with the welfare of society as a whole, and that society in its turn must insure justice to each group.
2. A frank abandonment of all efforts to secure something for nothing, and recognition that all ownership is a social trust involving Christian administration for the good of all and that the unlimited exercise of the right of private ownership is socially undesirable.
3. Abolishing child labor and establishing standards for the employment of minors which will insure maximum physical, intellectual and moral development.
4. Freedom from employment one day in seven, the eight-hour day as the present maximum for all industrial workers.
5. Providing safe and sanitary industrial conditions especially protecting women; adequate accident, sickness, and unemployment insurance, together with suitable provision for old age.
6. An effective national system of public employment bureaus to make possible the proper distribution of the labor forces of America.
7. That the first charge upon industry should be a minimum comfort wage and that all labor should give an honest day's work for an honest day's pay.
8. Adequate provision for impartial investigation and publicity, conciliation and arbitration in industrial disputes.
9. The right of labor to organize with representatives of its own choosing and, where able, to share in the management of industrial relations.
10. Encouragement of the organization of consumers' cooperatives for the more equitable distribution of the essentials of life.

11. The supremacy of the service, rather than the profit motive in the acquisition and use of property on the part of both labor and capital, and the most equitable division of the product of industry that can be devised.

III. INTO AGRICULTURE MEANS:

1. That the farmer shall have access to the land he works, on such terms as will insure him personal freedom and economic encouragement, while society is amply protected by efficient production and conservation of fertility.

2. That the cost of market distribution from farmer to consumer shall be cut to the lowest possible terms, both farmers and consumers sharing in these economies.

3. That there shall be every encouragement to the organization of farmers for economic ends, particularly for cooperative sales and purchases.

4. That an efficient system of both vocational and general education of youths and adults living on farms shall be available.

5. That special efforts shall be made to insure the farmer adequate social institutions, including the church, the school, the library, means of recreation, good local government, and particularly the best possible farm home.

6. That there shall be a widespread development of organized rural communities, thoroughly democratic, completely cooperative, and possessed with the spirit of the common welfare.

7. That there shall be the fullest measure of friendly reciprocal cooperation between the rural and city workers.

IV. INTO RACIAL RELATIONS MEANS:

1. The practice of the American principle of the same protection and rights for all races who share our common life.

2. The elimination of racial discrimination, and substitution of full brotherly treatment for all races in America.

3. The fullest cooperation between the churches of various races, even though of different denominations.

4. Educational and social equipment for the special needs of immigrants, with government information bureaus.

V. INTERNATIONAL RELATIONS MEANS:

1. The removal of every unjust barrier of trade, color, creed, and race, and the practice of equal justice for all nations.

2. The administration of the property and privileges within each country so that they will be of the greatest benefit not only to that nation but to all the world.

3. Discouragement of all propaganda tending to mislead peoples in their international relations or to create prejudice.

4. The replacement of selfish imperialism by such disinterested treatment of backward nations as to contribute the maximum to the welfare of each nation and of all the world.

5. The abolition of military armaments by all nations except for an internal police force.

6. That the church of Christ as an institution should not be used as an instrument or an agency in the support of war.

7. A permanent association of the nations for world peace and good-will, the outlawry of war, and the settling of all differences between nations by conference, arbitration, or by an international court.

We believe it is the duty of every church to investigate local moral and economic conditions as well as to know world needs. We believe that it is only as our churches themselves follow the example and spirit of Jesus in the fullest sense—translating these social ideals into the daily life of the church and the community—that we can ever hope to build the Kingdom of God on earth.

These affirmations we make as Christians and loyal citizens of our beloved country. We present them as an expression of our faith and patriotism. We urge upon all our citizens the support of our cherished institutions, faithfulness at the ballot, respect for law, and loyal support of its administrators. We believe that our country can and will make a great contribution to the realization of Christian ideals throughout the world.

FUNCTIONS

The several missionary organizations are related to the churches through identical membership, namely, that of the General Council. The Commission on Missions is the agency for this interrelationship. Its work is two-fold:

1. *Fostering economy and efficiency.* The Commission is charged with the duty of recommending processes whereby work may be economically and efficiently administered. It serves as a court of reference for the decision of questions arising between two or more societies.

2. *The promotion of income.* Since 1921 the largest activities of the Commission have concerned the raising of missionary funds. For two years this was done in the name of the Council. At the 1923 meeting of the Council and of the Societies the Commission on Missions was elected by each of the missionary boards as its representative agency for presenting what is known as "the common appeal" for our total missionary work. In 1925 this was enlarged to include the entire promotional work.

ORGANIZATION

1. *Membership.* The Commission consists of the thirty-six elected members of the Home Board, the thirty-six elected members of the Prudential Committee of the American Board, the 18 members of the Council for Social Action and nine members at large and the Moderator and Secretary of the General Council *ex-officio*. With them sit the chief promotional Secretaries of the Societies, and once each year the State Superintendents.

2. *The Executive Committee.* The details of the work of the Commission are carried forward by a selected Executive Committee, of whose operations the entire Commission is informed through the minutes.

3. *Cooperative Council.* For carrying out the plans of the Commission a small Cooperative Council has been constituted consisting of staff members of the Commission on Missions, the Home Boards, the American Board, the Council for Social Action, and State Conferences. This Council is set to disseminate information, cultivate interest and secure support for the benevolent work of the denomination, with the cooperation of the officers of the boards and conferences.

4. *Other Committees.* Chief among the other committees of the Commission are the Survey Committee, a Laymen's Advisory Committee, and a Committee on Missionary Education.

PROCESSES

1. *Meetings.* The Commission meets ordinarily but once a year. This meeting takes place in connection with the midwinter gathering of the Home Board and of the Prudential Committee of the American Board, thus economizing in time and travel expenses. The Executive Committee and the Cooperative Council meet as occasion requires.

2. *Literature.* One of the important functions of the Commission on Missions is the publication of literature setting forth our entire missionary enterprise.

3. *Field Work.* Under the general direction of the Secretaries a small force of field workers directly employed by the Commission, with the cooperation of the Secretarial forces of the Societies and working through the state organizations, is endeavoring to develop through actual contact with the churches those processes which seem to be most effective for disseminating missionary information and stimulating benevolent contributions. This process is so intimately related to the financial operations of the local churches that this latter interest is combined with the former, thus helping the churches to financial strength.

INFORMATION

The local church may ordinarily secure information directly from its own state office. Persons not knowing to whom to write locally may communicate with the Commission directly.

THE COMMISSION ON EVANGELISM AND DEVOTIONAL LIFE

Room 913, 287 Fourth Avenue, New York City.

This Commission was established by the National Council at Des Moines in 1904 to assist the churches in providing plans and programs for recruiting new members for the church and furnishing the churches material for their use in enriching the devotional life of the people.

It is composed of seven active and twenty corresponding members elected by the General Council and is charged by the General Council to do two things:

FIRST: The bring before the churches the denominational program of evangelism and devotional life.

SECOND: To make a continuous study of methods used by effective churches; to make them known to all pastors; and to provide such other helps to evangelism and devotion as are within its powers.

PROGRAM

I. The Program of Fall Activities.

1. The Fall Rally, to reinterest the members of the church and to enlist new people in the worship and service of the church.
2. Church Visitation of the entire parish.
3. Autumn Ingathering and Church attendance campaign.

II. The Pre-Easter or Lenten Program.

1. *The Program of Preaching.* This season is especially appropriate for the presentation from the pulpit of the great fundamental Christian truths; that the people within our churches may understand the foundations of faith, and that those without the church may be led to accept the Christian interpretation of life and join in the worship and service of the church.
2. *The Pastor's Training Class*, which has for its object the leading of young people to study Christian truth and under the pastor's influence to accept Christ as the personal Saviour.
3. *Training Personal Workers.* The pastor may multiply himself by enlisting and training consecrated workers to cooperate with him in the service of winning others to the Christian life.
4. *The Deepening of the Devotional Life.* That the people may have a new loyalty to Christ and a new determination to manifest his love in the life to the world, increased Bible study, meditation and prayer should be encouraged.
5. *The Easter In-Gathering.*

THE SEMINARS

The Commission maintains three National Seminars:

1. *The Seminar on Public Worship*, centering at New Haven, Conn. Eighteen members. This Seminar makes a continuous study of public church worship and provides material for the use of the churches. For information address the office of this Commission.
2. *The Seminar on Preaching Missions*, centering at Chicago. Eleven members. This Seminar is promoting a nation-wide program of Preaching Missions, creating literature for use in Missions and cooperating with the Federal Council's national program. For information address Rev. W. P. Johnston, Chairman, 444 Lake St., Oak Park, Ill.
3. *The Seminar on Personal Devotional Life*, centering in California. Eleven members. This Seminar continues the study of methods of private devotion and provides material for individual and group use. For information address Rev. Harley H. Gill, Chairman, 1164 Phelan Bldg., San Francisco.

THE SEMINAR QUARTERLY

A quarterly issued in the interests of Christian preaching and worship. Dr. Gaius Glenn Atkins, Auburn, N. Y., Editor. This Quarterly publishes the results of the study of the various Seminars. Subscription, 25 cents per year. For sample copy address the office of the Commission on Evangelism.

Secretary.—CHARLES EMERSON BURTON, D. D., 287 Fourth Avenue, New York.

Treasurer and Financial Secretary.—WILLIAM T. BOULT, 287 Fourth Ave., New York, N. Y.

ITS CHARTER

The Corporation for the General Council was chartered under the laws of Connecticut in 1933, succeeding to the functions of the Corporation for the National Council and serving the united fellowship.

ITS OBJECT

The object of the Corporation is to hold and administer funds and property for the purposes of the Congregational and Christian churches or churches affiliated with them. This service may be rendered for (1) churches singly or in groups; (2) societies, boards, conferences, associations, etc.; (3) denominational educational institutions; (4) denominational eleemosynary institutions; (5) the Council itself; (6) any other organizations "for the advancement of the general interests and purposes" of our churches.

ITS CONTROL

The Corporation is under the direct control of the General Council of the Congregational and Christian Churches of the United States.

ITS BUSINESS

The Corporation holds the Pilgrim Memorial Fund as the foundation for the pension system for Congregational ministers administered by the Annuity Fund for Congregational Ministers, and other trusts aggregating approximately \$5,000,000.

The Corporation is afforded the services of high-grade financiers and business men without compensation, resulting in (a) the safest of investments; and (b) substantial rates of interest.

ITS ADVANTAGES

With high degree of safety and productiveness of funds the corporation offers to donors of direct gifts, endowments, legacies, or conditional gifts, on account of which they receive income during life, several noteworthy advantages including—

1. Guarantees that the funds will not be dissipated, as not infrequently happens, especially when entrusted to institutions none too firmly established.
2. Provision according to the desire of the donor for the use of income in case of the completion of the work or the discontinuance of the activity of the beneficiary institution.
3. Extremely low cost of administration leaving practically the entire income for actual service in the chosen fields.

The A. B. C. F. M. is the mother of mission boards in North America. Founded in 1810 to make possible the realization of the vision of the man of the Haystack and his associates, it immediately invited the Presbyterian General Assembly to form a similar society with which it could cooperate, but the Assembly replied that one organization of the sort was enough and "urged its churches to adopt the American Board as their foreign missionary agency." The Baptist Missionary Union was formed when some of the first American Board Missionaries became Baptists. By 1826, the Presbyterians and the Reformed Church in America had developed the United Foreign Missionary Society, which in that year was merged with the American Board. The process of segmentation began in 1837 when the "Old School" Presbyterians left the American Board, followed in 1839 by the Central and Southern auxiliary boards. In 1846, "because of differences of opinion as to the Board's attitude toward slavery, some members withdrew to aid in organizing the American Missionary Association." In 1857, the Reformed Church in America withdrew to form its own Board and in 1870, the "New School" Presbyterians rejoined their "Old School" associates and transferred their support to the foreign mission board which they had formed.

The American Board maintains missions in East, West and South Africa, China, Japan, India, Ceylon, the Philippines, Micronesia, Mexico, Bulgaria, Turkey, Greece and Syria. The churches in Spain, Bulgaria and Micronesia have been asked to assume full responsibility within a brief period, for the mission work as a whole.

although in Bulgaria and Micronesia one or two institutions may continue to be supported by the Board.

The administrative policy of the American Board has favored decentralized control of the work in recognition of the high quality of its missionaries and their national associates and the widely varying situations on different fields. This insures necessary flexibility in adaptation to local conditions and has made it possible for the missions to meet the increasing nationalistic spirit by a large measure of transfer or sharing of responsibilities with national Christian bodies, as well as to participate fully in movements for church union in Bulgaria, India, the Philippines, China and Japan. The Board encourages the development of union institutions wherever they will increase efficiency. In the case of many of the educational institutions which it has founded, it has been able to secure independent boards of trustees to assume responsibility.

The process of curtailment and adjustment due to financial limitations has continued through another year. The income last year was 47.4 per cent less than the peak year of 1926. Since 1928 the loss in missionaries was 269 or 36 per cent, in part made up by national workers taking larger responsibilities. While there has been some lowering in quality of work done it is not in proportion to the retrenchment. The missionaries have refused to lose heart or to be stampeded. Most notable is the greatly increased emphasis on work for rural populations. In China, Japan and India especially, and to some extent in Turkey, the rural and agricultural institutions are receiving a much larger place in the mission program. Public health work of a preventative nature is regarded as important. Progress in organization should be noted in joint councils of nationals and missionaries and in reorganization of administration, as in Japan, giving the nationals full control. In this secretarial visits in several fields have had considerable influence. The South Africa Mission had its centenary and North China its seventy-fifth anniversary.

The year closed August 31, 1935, with a balanced budget, through the supplementing of the current income by the use of capital assets. Under the budget, \$25,000 was paid on the debt, leaving the present accumulated debt at \$111,713.03. The total income including gifts designated for objects outside the regular budget was \$1,378,450.23. The reduction plan to bring the expenditures to a point where they would be met by the current income has been continued. The year's loss of approximately \$16,500 in gifts received from churches and individuals, however, indicates that in order to realize this aim in 1936, as hoped, a very definite and earnest effort must be made to increase the giving.

Statistical Summary

The American Board is responsible for a foreign parish of 61,600,000 people. There are 14 missions under 8 different flags. The stations connected with these missions number 84 and the out-stations 2,167. The missionaries under life appointment are 461 and include 103 ordained men, 55 unordained men, 155 wives and 148 single women. There are 33 associates who are serving for shorter periods, making a grand total of 494 missionaries. The native force of workers is 6,033. Religious services are carried on in 2,666 places. There are 765 organized churches with 104,162 communicants. In 1934, 6,058 members were added to the church rolls. The total Christian constituency numbers 361,148. There are 1,303 Sunday Schools and 90,563 pupils. The educational work has 30 theological and training schools with 1,645 pupils and 9 colleges with 4,073 students. Below these are 48 secondary and middle schools with 12,586 pupils, 950 primary and elementary schools with 66,314 pupils and 5 industrial and vocational schools with 293 pupils. The schools of all grades are 1,042 and the total under instruction is 84,911. The medical statistics show that the Board has 26 hospitals and 44 dispensaries with which are connected 37 physicians and 22 foreign nurses. The records show that there were 32,384 hospital patients and 171,407 dispensary patients. The total treatments were 654,291 or nearly 1,800 treatments per day. The native contributions for church work were \$199,450, and receipts for all purposes amount to \$719,612.

ITS WORK

The Association represents the brotherly helping hand of the Congregational Christians stretched out to the disadvantaged groups of America—particularly the Negro, Indian, Puerto Rican and Southern Highlander. It remains, as it began, a Crusade of Brotherhood standing in a day of race friction and class discrimination for the undiluted application to human relations of Jesus' way of life.

Upon foundations put down in earlier days by the Association there stand today Hampton, Atlanta and Fisk Universities, Berea College. Talladega, Tougaloo, Tillotson and LeMoyne Colleges still depend on the Association for a large share of their support. A substantial appropriation is made to Dillard University in New Orleans, and a modest grant to Fisk University.

Other institutions and missions directly under the care of the Association are:

Alabama:

Trinity School, Athens; Cotton Valley School, Tuskegee; Lincoln Normal School, Marion.

Florida:

The Annuity Fund for Congregational Ministers provides age annuities for Congregational ministers and incidental protection against the minister's permanent total disability occurring during the years of active service, and for his family in case of his untimely death.

Its resources are derived from payments by the minister himself, contributions of churches and individuals, legacies and conditional gifts and the distributable income of the Pilgrim Memorial Fund.

The amount of annuity at annuity age depends on the accumulations to a member's credit.

Assets, December 31, 1935, \$6,222,146; membership including annuitants, 3,108, a net increase during the year of 129; annuity payments, \$364,806, an increase of \$25,454. Contributions in the form of gifts and legacies are urgently needed to help in paying the churches' share of the annuities of the older members. The Annuity Fund for Congregational Ministers has an exceptional place among the private annuity funds for its soundness and its liberal benefits to members.

PILGRIM MEMORIAL FUND

Established by vote of the National Council, October 13, 1917

287 Fourth Avenue, New York

The principal of this fund is held in perpetuity by The Corporation for the General Council to be invested and reinvested, and the distributable income turned over to the Board of Trustees of The Annuity Fund for Congregational Ministers to aid in providing Age Annuities and Disability Annuities for Congregational ministers who become members of the Annuity Fund and Death Benefits for their widows and minor orphan children.

The Pilgrim Memorial Fund, December 31, 1935, stood at \$5,004,665, in addition to which the accumulated profits from the sale of securities, held in a Profit Reserve Account, amounted to \$355,457.62. The market value of the securities, December 31, 1935, showed an appreciation of 12% in comparison with the cost.

The ultimate objective of the Pilgrim Memorial Fund is \$8,000,000. Legacies and memorial gifts will be added to the principal, as a permanent endowment.

FACTS WORTH NOTING

CONGREGATIONAL HOME MISSIONARY SOCIETY

That on May 12, 1936, the Society will complete its hundred and tenth year.

That in the early history of the Society it was interdenominational.

That many Presbyterian churches owe their foundation and life to the Society.

That four out of every five Congregational churches were planted by the Society or its auxiliaries.

That the average salary of a missionary pastor for the past year was \$1,086, of which the Society contributed \$451.

That the receipts of the Society for 1934-35 were \$277,066; for 1826, \$18,140.

That the expenditures of the Society for 1934-35 were \$292,016 for 1826-27, \$13,984.

That twenty-three self-supporting Conferences maintained their own home missionary work and sustained a fraternal relation to the National Society.

Form of Bequest.—I give and bequeath to "The Congregational Home Missionary Society," organized in the city of New York in the year, 1826, a corporation existing under the laws of the State of New York, the sum of dollars to be applied to the uses and purposes of said Society.

CONGREGATIONAL CHURCH BUILDING SOCIETY

In eighty-two years this Society has made 6,617 grants in aid of church building and 1,800 in aid of parsonage building. The aid given has amounted to \$13,743,320.96.

The total receipts for the fiscal year ending March 31, 1935, were \$309,333.19 for current use. The contributions for church and parsonage building were \$53,365.92. The repayments on church and parsonage loans were \$151,285.92. Conditional gifts and legacies amounted to \$15,849.95. From other sources of income came \$88,831.40.

Appropriations were voted for 23 new or purchased buildings, of which 17 were newly erected and 6 were purchased; 14 were houses of worship; 3 were parish houses; 1 was a religious education building; 1 was a young people's conference building at Pilgrim Park, N. D.; 3 were parsonages; 4 of the houses of worship were to replace buildings destroyed by fire, and 8 of these churches had never owned a building before. Churches were aided in making alterations, repairs and improvements, purchasing furnaces, paying taxes, etc. For financing existing debts, 45 churches were aided with grants and loans amounting to 62% of the total appropriated to churches for all purposes. Foreclosures thus have been averted and churches have been saved to the denomination. Applications for grants and loans asking for \$30,550 were carried over into our new year.

Form of Bequest.—I give and bequeath to "The Congregational Church Building Society," a corporation organized and existing under the laws of the State of New York, the sum of dollars to be applied to the uses and purposes of said Society.

CONGREGATIONAL SUNDAY SCHOOL EXTENSION SOCIETY

All commissioned workers of The Congregational Home Missionary Society are responsible also for the work of the Sunday School Extension Society, the latter contributing a percentage of their support. This work consists chiefly in founding and maintaining Sunday Schools and in sending out college young people for summer extension service. In cooperation with the Education Society a Children's Day program is provided each year.

Form of Bequest.—I give and bequeath to "The Congregational Sunday School Extension Society," a corporation organized and existing under the laws of the State of New York, the sum of dollars to be applied to the uses and purposes of said Society.

The Council for Social Action was created by the General Council at Oberlin in June, 1934. The motivating spirit behind that action is clearly indicated in the words of the vote:

"Stirred by the deep need of humanity for justice, security, and spiritual freedom and growth, aware of the urgent demand within our churches for action to match our gospel, and clearly persuaded that the Gospel of Jesus can be the solvent of social as of all other problems, we hereby vote:

"That the General Council create the Council for Social Action of the Congregational and Christian Churches of the United States of America.

"That the purposes of this Council for Social Action shall be to help the churches to make the Christian gospel more effective in society, national and world-wide, through research, education, and action, in cooperation with the Home and Foreign Boards, Conferences and Associations, and local churches. It is proposed that the Council shall increasingly cooperate with the Federal Council of Churches in the creation of a program which shall be genuinely interdenominational. In its *research*, the Council will aim to be impartial, its only bias being that of the Christian view of life; its *educational* efforts will be directed primarily toward the local churches but will also envisage the cultivation of public opinion; in *action*, the Council may, on occasion, intercede directly in specific situations. . . .

"That in launching this Council for Social Action we envisage a new kind of churchmanship which, enlisting the volunteer services of a group of eighteen outstanding men and women of social vision, wisdom, and Christian purpose, and commanding the services of five or six strong leaders in the fields of international relations, race relations, and economic statesmanship, will carry the campaign of education and action based on careful research out among our entire constituency at home and abroad. Believing that the Church will find itself as it loses itself in the struggle to achieve a warless, just, and brotherly world, we launch this venture, dedicating ourselves to unremitting work for a day in which all men find peace, security and abundant life."

The Council for Social Action invites each church to organize a local committee or council for Social Action and welcomes the opportunity to cooperate with such local groups in planning for the larger effectiveness of the social program of the church.

The Council for Social Action invites correspondence from ministers and laymen.

OBJECTS

To maintain, in the city of Boston, a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; to promote friendly intercourse and cooperation among Congregational ministers and churches, and with other denominations; and to do whatever else—within the limits of its charter—shall serve to illustrate Congregational history and promote the general interests of Congregational churches.

MEMBERSHIP

The membership of the Association consists of Congregationalists who have been elected by the Directors at any regular meeting. There are two classes of members—Life and Annual. Annual members pay an annual assessment of \$1.00. The payment of \$10 at one time by a member constitutes him a life member. All moneys received for membership are applied exclusively to the increase of the library.

Two impressive entrance-ways to the grounds, for which beautiful wrought iron gates were donated by the Manhattan Church of New York, have been erected through the generous assistance of friends. Andover Seminary has become affiliated with The Newton Theological Institution to form the new Andover Newton Theological School which is located at Newton Centre, in the vicinity of Boston. The combination of the two schools and the location, in greater Boston, make new and unusual advantages possible for theological students interested in taking their professional study in New England. The combined resources provide for an enrichment of the curriculum and an enlargement of the faculty. The library facilities are unexcelled.

The Andover Newton Theological School in affiliation with Harvard gives the students the privilege of taking any work in Harvard open to theological students and without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country but from all over the world.

The co-operation of the churches in the vicinity offers many opportunities where, on the basis of co-operative scholarships, students can make their way and at the same time gain valuable and practical experience. The School offers scholarship grants, so far as it is able, to students dependent upon self-support and seeks to aid in securing for them church positions in which service can be given in return. Special fellowships are awarded to exceptional students.

The School grants three degrees: B. D., S. T. M., and M. R. E. The B. D. is granted after three years' study to students who have had a college course. The M. R. E. is granted to women students with similar preparation after two years' study. The S. T. M. is granted after at least a year of graduate study and the presentation of a satisfactory thesis.

THE CHICAGO THEOLOGICAL SEMINARY

5757 University Avenue, Chicago

ALBERT W. PALMER, *President.*

A. C. MCGIFFERT, JR., *Director of Studies.*

ROBERT CASHMAN, *Business Manager.*

The Chicago Theological Seminary, established in 1855 to furnish training for Christian leadership according to the highest academic standards, has been a pioneer in the introduction into the theological curriculum of several unique features designed to meet the changing spiritual needs of succeeding generations. For example, Dr. Graham Taylor was called to the chair of Christian Economics when such a professorship was practically unknown. Recent developments have been in the fields of research in personality problems; in studies of the city and rural churches; in culture through art and drama, literature and music; and in the supervision of the practical work of students with a view to their development as leaders of the institutions of religion in the modern world.

In 1915 the institution removed to the neighborhood of the University of Chicago, with which it is affiliated through the Divinity School of the University. Thus Seminary students enjoy the advantages of a University which is internationally known for its high standards and academic productiveness. In June, 1928, the new buildings of the Seminary were completed and dedicated.

The three distinct Schools of the *Hartford Seminary Foundation* offer training for all forms of Christian service. The thirty-acre campus with distinguished buildings gives equipment for nearly 250 courses offered by over fifty professors, instructors and lecturers. The Case Memorial Library of 200,000 volumes and pamphlets is one of the greatest theological libraries in the country. All classes are open to both men and women.

The *Hartford Theological Seminary* prepares college graduates for the ministry of the Gospel. It uses the resources of modern scholarship in the service of the Christian faith in training for ministerial work. The degree of B. D. is granted for the completion with credit of the regular course. Degrees of S. T. M. and PH. D. are granted for advanced work.

The *School of Religious Education* trains men and women for positions of leadership in the field of religious education, and provides a thorough practical training for lay workers in other forms of church service. A two-years' course for those who have had two years of college work or are graduates of normal school leads to the degree of B. R. E. For college graduates a more advanced course is offered, leading to M. R. E., M. A., or PH. D.

The *Kennedy School of Missions* furnishes Special Missionary Preparation for missionaries, candidates and appointees of all Mission Boards. It has served most of the large Mission Boards of the United States and Canada. Its alumni are in all the great mission fields. Degrees of M. A. and PH. D. are granted for advanced work.

The Graduate School of Theology provides the opportunity for college graduates to get adequate training for Christian service in the ministry of the church, secretaryship of the Young Women's Christian Association or Young Men's Christian Association at home or abroad, for leadership in religious education at home or abroad and for Christian social service in city or country communities. Throughout its history, though independent by charter, Oberlin has sustained the most friendly relationship with Congregational churches and work.

Equipment.—In September of 1931 the School of Theology moved into new quarters. It now occupies a group of buildings designed by Mr. Cass Gilbert and made possible by the generous gift of two friends of the School, the late Mrs. D. Willis James and Mr. John D. Rockefeller, Jr. The theological group, built in North Italian style, is composed of two buildings connected by cloisters to form a quadrangle. One of these buildings is used for classroom, chapel and administration purposes, and the other for dormitories for single and married students, a refectory, a library, a recreation room and a gymnasium. These new buildings compose a quadrangle of unusual beauty and utility. Students in the School of Theology use the main library of Oberlin College which contains 332,866 bound volumes and as many pamphlets. The library files include the leading secular and religious newspapers and the leading monthlies and quarterlies. The Oberlin library is the largest college library in the United States. The library and seminar rooms in the theological quadrangle house about twenty thousand of the most active books in the theological section and the periodicals required by theological students. The gymnasium and recreation rooms in the quadrangle are well equipped for physical training and indoor games. The athletic fields and tennis courts of Oberlin College provide amply for out door exercise.

Terms of Admission.—College graduation and church membership are required. Men and women of any denomination, race, or color are admitted. This year we find fifteen denominations are represented in the student body.

Degrees in Course.—The degree of *Bachelor of Divinity* is granted at the completion of a three years' course covering ninety semester hours of work chosen from a broad range of courses set up in a curriculum which recently has been restudied and revised. The degrees of *Master of Arts* and *Master of Theology* are also offered.

Special Assets.—Students in the Graduate School of Theology have the advantage of being a part of the student body of one of the most cosmopolitan colleges in America. They share in the university privileges and the scholarly standards and fine Christian ideals of Oberlin. Oberlin is a center of unique and broad missionary interests, and has contributed largely to the missionary forces of the Congregational Church. The Oberlin Conservatory of Music is one of the leading conservatories of the world, and makes available unusual musical advantages. Oberlin is equipped with a splendid Art Building, a fine Art Library which includes a collection of over 60,000 stereopticon art slides. Living expense is moderate and the generous scholarships and prizes with the opportunities for self-help in the community make complete self-support possible.

For catalogue and further information, address the Dean.

ANNUAL STATISTICS OF THE CHURCHES

See last page for last minute revisions.

The statistics are collected by the registrars of the Conferences and compiled in the offices of the General Council. They are of date of January 1, 1936, and cover the year 1935. Changes in pastorates are corrected until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries.

The schedules are arranged by conferences rather than by geographical state lines. For example, all the states in the Middle Atlantic Conference are listed under "Middle Atlantic," but with subheads for each state. The Conference summaries are given at the end of the schedules. Summary I, however, is for the most part by state lines.

Persons noting errors are earnestly requested to report the same, especially when the mistakes involve benevolent contributions. Here it should be noted that money received in any national, district or state office to and including January 10, is credited to the preceding year unless otherwise requested.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in heavy faced type. If this postal word is an adjective it goes with the preceding name, e.g., *Newton, West*, signifying West Newton. If itself a name it supersedes the other, as "*Newton, Auburndale*," meaning Auburndale in the town of Newton.

Reference marks are used as follows:

- y Pastor serves more than one church. (See list of yoked churches in Conference Summary.)
- [] Around a pastor's name signify he is not in full standing as a Congregational or Christian minister, nor a denominational licentiate.
- i Pastor installed by Council.
- r Pastor recognized by Council.
- § For address see alphabetical list.
- No answer can be given.
- ‡ In reports on "Average Attendance" signifies church has both Sunday morning and Sunday evening services. The count is for only one of these services, the service selected by the minister being the main one.
- c Sunday School membership includes Cradle Roll.
- h " " " " Home Dept.
- e " " " " Cradle Roll and Home Dept.
- b " " " " Branch Sunday School.
- # Contribution amounts to less than 50 cents.
- z Includes under "Other Gifts" contributions to objects similar to Nat'l. Soc. causes; under "Am. Board" gifts through Board for Armenian work, amount being included for totals of church under "Other Gifts."
- * Value of church property includes parsonage.

|| When a church has made no report, items of church and Sunday School membership and value of property are inserted from previous Year Book and marked || in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons. All apportionment figures are from societies' reports.

The tables are *not a postal guide*. For addresses of ministers and clerks refer to alphabetical lists in the back of the book. Names of Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees, are on file in state offices, as are also certain other data.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses for church, Sunday School, choir and parish, also cost of new buildings, repairs and improvements paid for during 1935.

The Summaries give important data by states in Table I and national data by years in Table II. The less important items appear in the supplemental summary. Additional totals appear in footings of conference schedules.

The report on "Average Attendance Principal Sunday Service" is new and gives the record of such churches as report. In Summary I the average by states is shown and in the total the average for the country. In the state summaries will be found the number reporting in each state.

The average salaries reported in Summary I are based on the annual rate *actually received* by each minister whether serving one or more churches and including missionary aid. These are *not comparable* with reports in previous Year Books which were based on salaries expected to be paid.

CONGREGATIONAL AND CHRISTIAN CHURCH ASSISTANTS

The following is a list of unordained men and women serving churches under a variety of titles and in varied fields. Some are directors of religious education, some church secretaries, some parish visitors, some have a combination of two or more functions.

A Congregational League of Church Assistants was organized in October, 1915. Membership in the League is confined to women. This League endeavors to be of service to those who are seeking training and to bring together churches and workers.

The following is a list of paid church assistants reported Jan. 1, 1936, irrespective of their membership in the League.

CONGREGATIONAL AND CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational, Christian or Congregational-Christian ministers or of ministers and churches.

The following is a compilation of the lists furnished by the Conference registrars.

Ministers not in pastorates are indicated by the inclusion of ordination date (or by a hyphen (-) if ordination date has not been reported) after address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place for this information. Page numbers are given for those whose names appear in pages 6-71 and on the record of 1935 ordinations, pages 267-268.

An asterisk (*) before a name indicates that the person is not now reported by any Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one holding body to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *p.em.*, pastor emeritus; *p.o.d.*, pastor other denomination; *dir.R.E.*, director of Religious Education; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher; *Tr.*, treasurer; *bus.*, business; *lec.*, lecturer; *lib.*, librarian.

LAST MINUTE REVISIONS

In the weeks required to compile copy changes are reported and errors come to light. They are listed here with the suggestion that holders of the Year Book correct their copy, at least as to items likely to concern them.

In accord with the recommendations of the Strategy Committee adopted by the General Council at South Hadley, Mass., in June, 1936, The Commissions on Missions is discontinued.

The program of unified promotion of all of our missionary agencies, adopted by the General Council, called for a joint organization to be composed of the Prudential Committee of the American Board of Commissioners for Foreign Missions and the Board of Directors of the Congregational Home Boards. This has been established with the name of MISSIONS COUNCIL of the CONGREGATIONAL and CHRISTIAN CHURCHES.

The former Chairman of the Commission on Missions, Rev. W. Frederick Bohn, was elected Chairman of the MISSIONS COUNCIL.

At South Hadley, in the annual meetings of the corporate members of the Home Boards and of the American Board, Rev. Leonard M. Outerbridge was elected Executive Secretary of Promotion for both Boards and as such is Executive Secretary of the Missions Council.

The Cabinet of the Missions Council insures intimate relationship with Home and Foreign Boards and the State Conferences.

It is composed of Rev. Fred Field Goodsell, Executive Vice President of the American Board; Rev. William F. Frazier, Executive Vice President of the Home Boards; Rev. Harley H. Gill, of San Francisco, representing the Council of State Superintendents; Rev. Leonard M. Outerbridge, Executive Secretary, Chairman.

The joint staff of the Missions Council comprises personnel of the promotional units of both Home and Foreign Mission Boards, with representation of two State Superintendents at joint staff meetings.

General correspondence should be addressed to the Missions Council at 287 Fourth Avenue, New York City.

Rev. Howell D. Davies continues as Regional Secretary of the Missions Council, 19 South La Salle Street, Chicago.

CONDITIONAL GIFTS

Fortunately situated in these times of low and declining interest rates are those who have made Conditional Gifts to the Congregational Home Boards and the American Board of Commissioners for Foreign Missions.

These people know that their desire that Christian work at home and abroad may share in the final distribution of their property will be fulfilled, and the gift they intended to make is assured.

Meantime the income they need for their own livelihood will never be subject to any further reduction through changes of interest rates or the cutting of dividends.

The following table shows the annual income for life which a gift of \$1,000 would assure if made now at the indicated age:

<i>Age</i>	<i>Yearly Income</i>
60.....	\$53.00
65.....	57.00
70.....	62.00
75.....	70.00
80.....	80.00

Many pastors know of members of their parish who are able to make a conditional gift and who would thereby both increase their life income and have the joy of knowing they were undergirding the work of their church.

Arrangements can be made whereby a Conditional Gift can not only provide a secure and unchanging life income to the donor or beneficiary but benefit the local church or State Conference, as well as the Home Boards and the American Board, according to the expressed wish of the donor. Pastors and Church Officers may secure full information by writing to

"One may almost reckon the deep needs of humanity in terms of money. Money is health, money is opportunity, money is salvation. What a man carries away from this earth depends upon how he has invested himself and his money."

"For who hath despised the day of small things."

Zechariah 4:10

THE DEDICATION OF

A-Cent-a-Meal

**Links your family with the wide fellowship of many thousands
in our church who care for others.**

It is neither a dollar, nor ten dollars, but the smallest coin minted by the government—a cent—that each family is asked to give. Here the privilege and opportunity of giving to the support of the greatest undertaking of the church is brought within the range of us all.

Our Lord set store by "the small things": "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me"; "The giving of a cup of cold water"; "The widow's mite into the treasury box"; "The grain of mustard seed smallest of all herbs"; even so, the copper cent, smallest of all our coins, will lead us forward with renewed faith and vision.

This box has great educational values: The giving of the cent frequently leads to some discussion of the work of the church in the various avenues of our national life and in the needy fields beyond the seas. The cent drops into the box and there follows a prayer, a thought, and a new interest in China, Japan, India, Africa, the Near East, the Philippines and the far flung stretches of our United States.

It is the Family's recognition of God's Goodness: The very act of dropping a coin into the box for such a high purpose says, "We are thankful to God, the Giver of every good and perfect gift, who has blessed us with food, raiment, home, friends. We acknowledge it is not only blessed to receive but also it is a blessed thing to share what we have with others." It is in very truth a "blessing box."

It brings joy: Any investment made in God's work is never lost. "What we give we have." All those who invest in the enrichment of the world's life have the assurance and joy that they have shared in the greatest undertaking in the world.

It counts on the apportionment of your church.

Ask your pastor for a box and literature.
